

SUGGESTED SHOT LIST

LIFESTYLE: COUPLES & FAMILIES

rev 6/2008

COUPLES

- Cooking together
- Hanging around non-sexually - doing everyday things
- In bed having fun, being intimate/ massage/kissing
- Looking bored/having relationship problems/concerned/fighting
- Getting ready in the morning- getting dressed, brushing teeth together
- Driving together
- Eating breakfast/dinner at home
- Eating out
- Watching TV
- Looking at a computer together
- Leisure- at the beach, in a hotel, on a balcony, skiing (non-cheesy travel)
- Overall hugging, holding hands, mostly happy/laughing but some serious variations of each shot are be useful too
- Couples with pets

FAMILIES

- Parents getting kids ready for school- dressing, making lunches, brushing teeth
- Eating breakfast/dinner together at home- should be vibrant and full of energy but bright and clean
- On vacation- packing up the minivan, going camping, on the beach, at the pool
- Mom and kid, dad and kid- having fun
- Natural interaction all together in the living room, kitchen, watching TV
- Activities- board games, video games, outdoor sports- catch, hula hoops, riding bicycles
- Tension in family during teen years
- Positive scenarios during teen years
- Families cooking together and making healthy food choices - preparing fruits + vegetables
- Series of images - family going through the day
- Halloween
- "Lush, magical holiday photography"
- Family with dog or cat on carpet/rug
- Family finances
- Busy families heading out the door
- Divorce situations
- Families having fun outdoors
- Family shopping
- Mom + daughter arguing over shopping/fashion
- Families using technology
